SUSAN CLOUD

about

I started this blog in March 2018 as a different and creative approach for me to express my love for all things beauty and makeup. I'm the kind of person that enjoys sharing my thoughts on a product I'm passionate about. On the blog, I try to feature everyday beauty and skincare-related articles, guiding real people with real issues they may have.

services offered

- Sponsored Posts/ Videos
- Social Promotion
- Brand Ambassador
- Product Tester/Review
- Contests and Giveaways
